Agencies or Persons that have been subject to Suspension, Cancellation, Refusal to Renew Accreditation or Approval, or Debarment by an Accrediting Entity or the Secretary

The following agencies or persons have been subject to suspension, cancellation, refusal to renew accreditation or approval or debarment by an Accrediting Entity or the Department of State. Cancellation, refusal to renew, and debarment show no end date of the action because it is a final action resulting in the loss of accreditation or approval. If an agency or person subsequently applies for and achieves accreditation or approval, the cancellation, refusal to renew or debarment an end date is listed. Suspension of accreditation is a temporary loss of accreditation or approval, and the end date of the action is listed below unless the agency or person lost accreditation through some other means such as cancellation, refusal to renew, debarment, relinquishment, or expiration while the suspension was in effect. In such instances, no end date is listed.

In accordance with 22 CFR Part 96.92(b), CEAS will make available upon specific request If an agency or person has been subject to suspension, cancellation, refusal to renew accreditation or approval, or debarment, a brief statement of the reasons for the action, including, where relevant, the identity and conduct of any foreign supervised providers. For more information on how to submit a request, see <https://www.ceadoption.org/public-information>.
